Dear Sir/Madam,

REF: INVITATION LETTER FOR GLEN HELLER PASSPORT #: 642399213

I Dr. Robert Sheneberger, as the Country Director of University of Maryland which is operating in Zambia as Maryland Global Initiatives Corporations Limited Office warmly welcome his visit for support.

The Maryland global Initiatives Corporation (MGIC) has been operating in Zambia February since 2014. The University of Maryland-MGIC was recently awarded a grant from Center for Disease Control (CDC) to conduct the next Zambia Population-Based HIV Impact Assessment (ZAMPHIA).

We are extending an invitation to Glen Heller, who is scheduled to arrive in Zambia on 29th of November 2021. As a key employee to ICF, Mr. Heller will be visiting Zambia for a month to provide technical software support during the final phase of data collection on the ZAMPHIA survey.

Thanks for your kind assistance in this matter, please feel free to contact me with any questions at rsheneberger@mgic.umaryland.edu
